Speech 1 - Oh hello! Sorry I'm late! Welcome to Fiona: the Musical! Yay, let's talk about me. Once upon a time, there was a little princess named Fiona, who lived in a Kingdom far, far away. One fateful day, her parents told her that it was time for her to be locked away in a desolate tower, guarded by a fire-breathing dragon- as so many princesses had for hundreds of years before. Isn't that the saddest thing you've ever heard? A poor little princess hidden away from the world, high in a tower, awaiting her one true love.

Speech 2 - Now wait a minute! Maybe that ogre wasn't the answer but something better will come along, and we have to wait for it, because that's what fairy tale characters do. We wait for miracles. We wish upon stars. We just need to lay low until this all blows over. Down with Farquaad! Power to piggies and the big bad wolf, and the three bears and the sugar plum fairy!
